

365 Emergency Pressure Relief Vent

365

Features:

Heavy-duty cast-iron top and base for durability, (aluminum base available). Machined top and base with a Buna-N "O" Ring provide a vapor resistant seal. The screen minimizes the chances of vandalism and theft.

3" NPT male threads are standard.

Pressure relief set at <0.5 PSI.

Clay & Bailey vents can be used in a variety of Aboveground Storage Tank Equipment installations where reliable fuel handling petroleum equipment is required.
