

## 2" Pressure Actuated Vent

0947-03-2100

### Features:

The 947 Pressure Actuated Vent for internal venting, is assembled with a 2" galvanized mushroom vent to help prevent contamination from entering the trailer.

The vent is constructed of Aluminum parts, Buna N Gaskets and 304 Stainless Steel Springs.

Clay & Baileys pressure actuated vents can be used in a variety of mobile equipment application installations where pressure and vacuum relief are required.
