

CLAY & BAILEY
MANUFACTURING COMPANY

103 CURB BOX

Features:

The 103 Curb Box Features a Lid, a 26" Top Section, and a 39" Bottom Section.

Curb Boxes provide access to municipal water or gas shut-off valves.

The screw fitting allows these to be adjustable in height.

We currently only stock Foreign castings.

These castings are only sold in sets.

Pieces are not available for purchase separately.
