

CLAY & BAILEY
MANUFACTURING COMPANY

MASTIC ROLLS

Features:

The 5800 Mastic Roll is a pressure-sensitive, flexible, and waterproof sealant.

It is designed to provide an instant, durable, and airtight seal without the need for traditional liquid sealants.

These come in rolls measuring 1.25" x 14.5'.

They can be purchased individually, or in boxes containing 5 rolls each.

Part Number Variations:

05800-01-1001 Mastic Roll

Revision Date: 3/6/26

Weights
Roll 11 Lbs.

Material Spec:
ASTM A48, CLASS 35B, GRAY IRON
